Pettis County Community Partnership

- **Baby Think it Over:** Our Baby Think It Over program uses computerized dolls to simulate what it is like to care for an infant. The program also promotes infant safety. Baby Think It Over simulators and curriculum materials are available to schools, youth groups, scouts, and other teen-serving organizations/programs.
- **MRCC Food Co-op:** Partnering with the Missouri Rural Crisis Center, once each month we can offer people approximately \$40 worth of groceries for \$22. Co-op members pay an annual membership fee of \$10 and the \$22 monthly co-op fee each month they receive an order of food which includes bread, produce, paper products, and canned goods, as well as MRCC's own Patchwork Farms meat products. Members may request multiple orders at the same price per order. Additional meat may be ordered at reasonable rates. All participants of the food cooperative must be current MRCC members. Anyone may participate, regardless of income.
- **Little Essentials:** Pettis County Community Partnership is partnering with The Changing Table, we can provide diapers, wipes, and period products to those in need. Each diaper user can receive up to 50 diapers per month. An assortment of period products is available to those that need them in our Give & Take store in Suite 28A.
- **Community Resource Directory:** We publish a directory of community resources that is available in our lobby at any time. Please contact our Executive Assistant to have information added or updated for your agency.
- **P.R.O.P. – Putting Roofs Over People:** PROP is the name of our current housing program. We provide housing services to households at risk of homelessness or those experiencing literal homelessness in the surrounding 9 counties. Services may include rental assistance, utility assistance, emergency travel assistance, identification fee assistance, security deposits, medication fee assistance, case management, etc.
- **Homeless Hotline – (660) 287-2228:** WE operate a housing hotline for a 9-county coverage area of the state. This hotline is available for individuals and families experiencing literal homelessness. Upon calling, case manager will complete a standardized Coordinated Entry assessment. This will ensure the household will be considered for housing opportunities in the area. This is a vital resource for those experiencing street homelessness.

- **Pillars of Pettis County:** This is a group of community partners who are working to find a viable solution to provide transitional housing for people who are homeless in Pettis County. The meetings are held in the PCCP Conference Room.
- **MO Reentry Process Steering Group:** Community partners share and coordinate resources around housing, education, family support, employment, mental health, and other issues. The meetings are held in the PCCP Conference Room.
- **Family Nutrition Education (Spanish & English):** Our educators help families learn how a well-balanced meal promotes child development and adult health. University of MO Extension is our partner.
- **Give & Take:** Give & Take is our free donation store. Our store is a great way for people to get rid of things they no longer need by putting them into the hands of others who can use them free of charge. We take donated clothing, toys, household items, books, artwork, jewelry and much more. We do take some furniture but please call ahead. Give & Take is an AARP Host Agency Site.
- **Educational Outreach:** The Pettis County Community Partnership through the Caring Community Grant works with local school districts in the implementation of new programs or supplementing existing programs that help in the academic enhancement of student achievement and, well-being of the students
- **Community Closet:** We have a supply of items donated by the community to help our community members meet their basic needs. These items include shampoo, conditioner, body soap, deodorant, razors, household cleaners, laundry detergent, paper towels, toilet paper, etc. Donations are appreciated anytime throughout the year. We rely on our community to help us meet this need.
- **Youth Futures Career Program:** Assist youth in learning and gaining the necessary knowledge, skills, and abilities to help them navigate to adulthood. Services are geared toward youth age sixteen (16) through (21) who are in the Children's division Foster Care system and are residents of Missouri.
- **Pets of the Homeless:** We are a Feeding Pets of the Homeless® Donation Site! Please bring by dog or cat food, treats, or supplies to help! Feeding Pets of the Homeless® is the first and one of the few national nonprofits providing pet food and emergency veterinary care to pets that belong to homeless people.
