

## Bringing Individuals, Information, and Ideas Together

### Director's Note:

The Holidays are upon us again! Soon, we will be decorating the library for the holidays, and it is definitely worth seeing! Stop by Mid-November to see the library transformed for Christmas. (Also, make plans for Santa again this year! He's coming Dec. 16!).

We have so many fun programs coming up to end the year. I'm excited about our Game Exchange, starting Nov. 18 (see more below)! Do you have games & puzzles around that your family has outgrown or just doesn't play anymore? Bring them into the library and exchange them for something new, just in time for the holidays. Another way the library can save you money-don't buy new games, just exchange them!

If you like Historical Fiction, I have a book recommendation for you. I read [The Paris Daughter](#), by Kristin Harmel in October, and it was wonderful. If you are looking for a great book to read over the holidays, check this one out. We have it in regular and large print.

As always, we are here to help. We hope to see you this month.  
Happy Reading,  
Jamie Sparks, Director
