

Newsletter April 2022

A note from our Director

Welcome to our first monthly newsletter from The Sedalia Public Library & Happy National Public Library Week (April 3-9). We hope this will be a great way to keep our patrons and community members informed of what is happening at the library! If you have not visited the library lately, I invite you to come by and see us! We have many programs for families, kids and adults, as well as a wide variety of print materials and e media for you! I have been in my new role as Director for 5 months now and I am loving every minute of it! The library truly is a magical place to be. Where else in our community can you JUST BE? You can come here for free, stay as long as you like and borrow all the goodies you want! Engraved in the front of the building are the words "Free to All"...my favorite part. Hope to see you soon.
Happy Reading, Jamie Sparks, Director
