### Director's Note:

Spring is near and I don't know about you, but I am READY! February was so fun, as we celebrated all the ways we love the library and we kept everyone busy reading with our Winter Reading Program. We also had well over 200 patrons have their fines forgiven from their accounts! I love that! It was a nice way to break up a normally gray and cold month.

We have also been working hard to prepare for our annual **Spring Book Sale**. The entire month of March, you can come in and shop a variety of books, DVD's, audiobooks and magazines. **SPECIAL PRESALE EVENT: Feb. 28 from 4-6pm. Make a minimum \$5 donation to the library and shop the sale first!**

Stop by and shop the book sale, checkout a new book or revisit some popular services. A few services we offer:

**Interlibrary Loans:** Don't see the book you're looking for? We can get it for you from another library! Ask about this at the front desk, call us or fill out the form on our website.

**Renew your Books on our website:** Go to our website and login to your account. From here you can see books you have checked out, renew them or place a hold on a book that you want to read. Remember, we increased checkout times to 3 weeks, with 1 (3 week) renewal.

**Request a New Book:** Is there a new book coming out that you want us to order? Request it at the front desk, call us or fill out the form on the website.

**Digital Resources:** Some of our most popular platforms are Libby, Hoopla and Tumblebooks, which are accessible on our website and free with your library card number.

### NEW Services!

- **Notary Services at the library will start in April. Details coming soon!**
- **Need help finding your next good book? We can help with that! Look for details on our Reader's Advisory Service...coming soon!**

As always, we are here to help!  
Happy Reading,  
Jamie Sparks, Director
