

Happy Spring!

The kids had fun with Candy Chemistry Experiments during Kids Night! Join us on Monday's at 5:30pm. Recommended for lower elementary kids.

Rosie the Therapy Dog had lots of fun listening to the kids read books to her. Of course, she had to get a few "smells" in as well! Every 3rd Saturday, we have a kid's event from 10-noon.

Director's Note:

Well, February was a fun month! We had a great day celebrating "Bring Your Child to the Library Day". We had many families come in to check out books, sign up for a new card, work on their fine motor skills with mitten lacing, or read with one of our therapy dogs. There were lots of smiles at the library that day!

We have had such positive reactions to eliminating fines. Thank you for your support! Continue to bring your books back on time so others may enjoy them and those of you that feel guilty about not having a fine for overdue materials, you can still make a donation to the library. I get it-old habits die hard! We just want to ensure that items checked out are returned in a timely manner.

I listed to an audiobook on Libby this month-[This Time Tomorrow](#), by Emma Straub. I loved listening to this book! It's heartfelt, especially if you have lost a parent. It's laugh out loud funny (if you grew up in the 80's and 90's), but also a little sad. I won't give it

away, but put it on your list. I plan to check out the other books we have in the library by this author.

Don't forget to stop in and check out the Spring Book Sale this month! We only do this once a year, so don't miss out on some great books, audiobook, and DVD's at low prices.

Happy Reading,
Jamie Sparks, Director
